

Curriculum vitae

Dr. med. Ralf Lobmann

Personal Data

Born on 08. September 1967 in Ludwigshafen/Rhein
Married to Birgit Heerklotz; two children

Education and degrees

- 1987 High/grammar school degree at "Kaiserdomgymnasium" in Speyer/Rhein
- 1987/88 National military service
- 1988-1994 Medical School of Johannes-Gutenberg University of Mainz
- 1994 MD degree
Thesis on: Effects of neuropathy on distal lower extremity trophics and the development of diabetic foot lesions in patients with diabetes mellitus (magna cum laude).

Professional activities

- 11/1994 Junior intern at the practice of Dr. med. O. Emrich
(General medicine and pain therapy, Ludwigshafen/Rhein)
- 2/1995 Junior intern at the Clinic of Endocrinology and Metabolism, Otto-von-Guericke University of Magdeburg (Director: Prof. Dr. H. Lehnert)
- 5/1996 Fully registered medical practitioner
Assistant consultant in the Dept. of Endocrinology and Metabolism at the Otto-von-Guericke University Magdeburg (Director: Prof. Dr. H. Lehnert).
Focus on: general internal medicine, Diabetology, Endocrinology, Intensive Medicine, Gastroenterology, Nephrology, Cardiology.
- 4/2001 Specialist in Internal Medicine
- 5/2001 Senior physician in the Dept. of Endocrinology and Metabolism at the Otto-von-Guericke University Magdeburg (Director: Prof. Dr. H. Lehnert)
- 6/2003 Specialist in Endocrinology and Diabetology
- 1/2004 Qualification as Diabetologist of the German Diabetes Society
- 1/2004 Associate Professor
- 3/2005 Head (temporary) of the Dept. of Endocrinology and Metabolism, University of Magdeburg
- 4/2006 Specialist in Andrology
- 5/2008 Head of the Dept. of Endocrinology, Diabetology and Geriatrics, Stuttgart General Hospital - Bürgerhospital

Honors

- 1997 Fellowship of the Otto von Guericke University Magdeburg for scientific promotion. Resident at the University of Florida, Gainesville USA (Prof. Dr. G. Schultz)
- 2000 Winner of the Heinrich-Sauer-Prize of the North German Diabetes-Society
- 2001 Study grant by the German Diabetes Society
„Studies on the Expression of Cytokines and Proteases in Fibroblast Cultures from Type 2 Diabetic Patients and Healthy Subjects after Stimulation with various growth factors“
- 2001 Study grant by the Eli Lilly foundation
- 2004 Study grant by the German Diabetes Society
“Expression of proteases and growth factors: an in -vitro wound model of keratinocytes of patients with diabetes mellitus and healthy controls”

Scientific focus

Diabetic Foot Syndrome – diagnostic and treatment strategies;
Effects of growth factors, cytokines und extracellular matrix on wound healing paradigms in diabetic patients.
Cognitive functions in diabetic patients; Hypoglycemia;
Diabetic neuropathies - diagnosis and treatment.

Congress organisation

- 1997 1st Diabetes Day Saxony-Anhalt
- 1998 2nd Diabetes Day Saxony-Anhalt
- Meeting of the North German Diabetes Society
- 2001 45. Symposium of the German Society of Endocrinology
(Symposium "Diabetic Foot")
- 2002 Symposia at the German Diabetes Society Meeting
a) The diabetic foot - from molecular aspects to clinical implications
b) Meet the expert - practical guideline for the diabetic foot syndrome
c) 3rd Diabetes Day Saxony-Anhalt
- 2005 Symposium “Diabetic foot” State of the Art”
- 2006 a) 12. Symposium of Endocrinology and Metabolism: “Update Diabetes”
b) Symposium “New Aspects of Obesity”
c) Symposium “Thyroid Cancer”
d) Introduction in advanced treatment of Diabetes (Workshop)
e) Current Aspects of diagnosis and treatment of NET
- 2007 DGSA Meeting: Current Aspects of Diabetes
"Meet The Expert: Diabetic Foot"; 42. Meeting of the DDG
Symposium „Endokrinology, Diabetology and Metabolism – Retrospectives and the Future”

Membership

- German Diabetes Society (DDG)
- German Society of Endocrinology (DGE)
- German Society of Internal Medicine (DGIM)
- European Association for the Study of Diabetes (EASD)
- German Society of Wound Healing (DGfW)

- American Diabetes Association (ADA)
- European Wound Healing Society
- Member of the Diabetic foot Study Group of the EASD
- Member of the German Working Group for the Study of the diabetic foot (DDG)

- 2nd speaker of the German Working Group for the Study of the diabetic foot (DDG)
- President of the Diabetes Association of Saxony-Anhalt (DGSA)
